Ahmedabad... the Metropolis of Gujarat. With a population of over 70 lakh, Ahmedabad boasts of rich assortment in culture, education, and lifestyle, making it one of the most sought after cities of Modern India.

To stimulate the cultural and spiritual vibes of the City, we are organizing a Hindu Spiritual and Service Fair. A unique platform to connect Hindu spirituality to contemporary environment in harmonious way.

Six Themes of the Fair

About the Fair

Hinduism is more than a religion, it is a philosophy of righteous living and being with oneself and thereby with the Universe itself. The very core of the fair is to instill this ideology amongst hearts and minds of people who have been led astray by modern world's hectic life.

The Fair will be thematic and will be original in exposition and contemporary in message. The several programs including the pre-fair engagement activities will be integrated into the fair to philosophically explain and practically expound how Hindu spiritual values and the traditional Hindu lifestyle are meant to enrich the lives of humanity no matter which faith they belong to. The diverse programs at the fair will showcase teachings of Hindu Spiritualism, Ancient Literature and Life-style commonly known as 'Dharma'. The fair will also act as a conduit for the younger generations, seeking the path of satiating their spiritual desires.

Voice of Unity

Voice of Unity is a powerful drive intended to inspire and instill the sprit of patriotism in citizens of India. It is believed that to inspire patriotism, there is nothing better than offering an ode to Nation with your fellow citizens. Taking this vision further, we have made it a practice to invite people from all walks of life to join in singing Vande Mataram in one voice, wherever we have held the fair. Till date, we have successfully hosted 20 Lakh people singing Vande Mataram in unison, including students, participants and audience. No matter what caste, community, religion or faith they belong to, every one has always come together in saluting the Great Nation of India in one voice and melody.

On December 23, 2017, we intend to have more than 1,00,000+ people sing Vande Mataram in unison at Ahmedabad's Sabarmati Riverfront.
